Dear Parents / Carers

Following on from our email to you last week, we are writing to let you know about some changes we are making to our school uniform. In light of new legislation coming into force to make school uniforms more cost effective, we have reviewed our uniform thoroughly and have now achieved what we hope you'll agree is a way forward that successfully balances affordability and quality.

We have listened carefully to previous feedback from parents and children and considered:

- the availability and accessibility of uniform;
- the quality;
- the affordability;
- the wearability;
- the popularity of the design of our uniform.

We are very proud of our uniform here at Elworth CE Primary School and firmly believe that it:

- ✓ encourages pride in our school and our school identity;
- ✓ enhances behaviour; and reduces bullying;
- ✓ raises standards across the board and promotes equality on every level.

We are delighted to be able to let you know that all uniform items can be purchased via Badged who are a local supplier based in Haslington. As many existing parents / carers will be aware, here is a shop where you can try on and purchase items, and they do also have an online shop if you prefer. A link to their website is provided below:
